You can find some pretty good steals at domain name auctions

9/23/2008 11:47:13 AM

Of the many ways that you can make money buying domain names, one of best places to get your hands on hot domains is still found at domain name auctions. These are sites similar to Ebay—where instead of auctioning off other things, they are domain name auctions websites. Users sign up for free and can even have their domain names appraised before putting them up for sale... [Read More](#)

Make Money Buying Domain Names is Pretty Easy

9/14/2008 1:24:18 PM

You can make money buying domain names, especially if you plan to use them to put up a site for a product or service that you sell. You can buy them at domain name auctions, sometimes very reasonably. If you have a lot of domain names yourself, put them up for auction using one of the big domain seller auction houses. It's virtually effortless to do this, and you might be... [Read More](#)

Making Your Domain Name Search Engine Friendly

9/2/2008 11:49:27 AM

One of the most important steps one needs to take in the domain name world is making that domain name search engine friendly. You can have a domain that you think is good, just because you like it, but getting and making a domain name search engine friendly is the name of the game. The first thing to do to make your domain search engine friendly is to make sure that it is... [Read More](#)

Domain name search engines can find you that hard-to-get name!

8/27/2008 12:04:44 PM

I was looking for some rather odd domain names the other day and decided that I would use a domain name search engine to find the ones that I sought. So where do you find domain name search engine that you can use for free and that will allow you to search the entire internet for the domain names that you seek? Well to answer that question, most major domain name... [Read More](#)

Finding Crazy Traffic at Domain Name Auctions

8/21/2008 9:06:25 AM

If you have a great internet business, but can't find the right domain name, give domain name auctions a shot. If that favorite domain name is taken, just drop on by the domain name auctions and you might find that name you desire for sale. During the 90's a lot of people looking to make money buying domain names bought a lot of domain names for later sale. The domain name... [Read More](#)

Domain Name Auctions See Place Name Extensions for Mega Rich

8/15/2008 1:17:00 AM

ICANN, the commission that controls what plays and what doesn't in the domain name auctions world instituted a new policy, which is turning a lot of heads. It has to do with a new domain extension that would allow places to purchase URLs such as london.london, dubai.dubai or california.california. The domain name auctions that house such extensions will only be available... [Read More](#)
